Landscape of the Biei Hills

This hilly area of Biei is known for the fields of flowers that make the hills appear as a patchwork quilt, and is beautiful with each season. Between spring and fall it might be fun to rent a bicycle and travel around, see the fields from the road. Please do not enter the fields.

Railway Journey Hokkaido

One piece of advice!

Furano-Biei Norokko Train

For a limited time between summer and fall, this sightseeing train connects Asahikawa and Furano. From the train you can see beautiful landscapes and flowers. During the operating period, a temporary station called the "Lavender-Farm Station" is open, and you can take a 7 minutes walk to the famous lavender gardens, "Farm Tomita."

Dates of operation June - September

Flexible 4-Day Hokkaido Rail Pass

If there are days that you don't ride the train at all during your journey, we recommend the "Flexible 4-day Hokkaido Rail Pass". This allows you to choose any 4 days to board the train within a 10 day period.
