Introducing some of the spots  
at which we stop.

### Shirogane Blue Pond

This mysterious man made pond changes into various shades of blue, depending on the weather for the day. Which shade of blue do you think you will be privileged to see?

● Address: Shirogane, Biei

### Shikisai-no-Oka

An absolutely stunning view of the Taisetsu Mountain Range and the beautiful fields of flowers that spread across the foothills. This gorgeous sight of various flowers can be enjoyed from spring to fall.

● Address: Shinsei Dai-San, Biei

Service period

Everyday between  
September 25 - October 9, 2017
