**Notes**

- \*This ticket is for local and rapid trains only. Not valid for limited express trains.
- \* You must purchase a reserved seat ticket if you wish to ride in the reserved section of the local or rapid Train.
- \*Due to the fact that there are no local trains running between Shin-Yubari and Shintoku, as an exception to the rule as long as you get on or off of the train between Shin-Yubari and Shintoku you may board the non-reserved seating section of the limited express train. However, if you get on or off at any station outside of Shin-Yubari and Shintoku, because it will not be counted as an exception, you will be required to pay the full amount of the actual area you boarded the limited express train.
- \*If your destination reaches outside the free area, the ticket is valid to the last station within the free area, and from that station on you must pay the extra charge.
- \*There are no refunds after the ticket is used for the first time, even in the event that the trains are late or out of service. In addition, the validity period cannot be extended.
- \*Ticket allows unlimited rides on local and rapid trains for one day within the free area listed below.
