

# Between Sapporo - Hakodate, for December through February

## Increase in limited express trains for winter tourist season

In anticipation of a rise in the number of riders during the winter tourist season, the number of trains will be increased for the Ltd. Exp. Super Hokuto and Ltd. Exp. Hokuto between Sapporo and Hakodate for the period of December 1, 2016 - February 28, 2017.

Every year, extra trains tend to be relatively vacant compared to other trains. For this reason, we kindly ask that riders use the following extra trains if they plan to ride JR trains between Sapporo and Hakodate during events such as the New Year's holiday period or Sapporo Snow Festival.
