(Languages displayed in the following order: English, Chinese (Simplified), Chinese (Traditional), Korean)

Connection method will change from October 1, 2016.

From October 1, 2016: Connect by registering with your e-mail address (no ID/password required)

Until September 30, 2016: Connect by receiving an "ID/PASS Card" from a station attendant and entering the specified ID and password.

2. For customers using JR East-South Hokkaido Rail Pass

The JR East-South Hokkaido Rail Pass is a special discount pass for the trips to Sapporo, Hakodate, Aomori, Sendai, and Tokyo. With this pass you can select six days in the 14-day period to visit Southern Hokkaido within the valid area, which includes New Chitose Airport, Otaru, Sapporo, Noboribetsu, Toya and Hakodate. Also, this pass allows unlimited rides even on the Shinkansen and limited express trains running within Tohoku region.

※More information about The JR East-South Hokkaido Rail Pass.

<http://www.jreasthokkaido.com/e/>

The following area in Hokkaido is available for pass holders.

If you are outside the available area (Asahikawa, Furano, Biei etc.), you need to purchase a basic fare ticket and a limited express ticket.
